

HENRI  LLOYD

Kitting out the world's elite teams and sailors since 1963

Henri-Lloyd continues to design with a contemporary, sustainable vision rooted in our rich heritage. Our "Responsible Performance" approach blends the quality, innovation, and unique aesthetic our customers love with environmentally conscious practices.

Henri-Lloyd's technical and innovative products are perfect for yacht racing crews, events, corporate gifting, and enhancing company image. Our collection, crafted for teamwear, features premium fabrics and subtle branding to highlight your own logo.

HENRI LLOYD

Team Branding

Wearing the same uniform helps foster a sense of belonging and shared identity. Henri-Lloyd's team kit is meticulously crafted with the intention of providing businesses, sailing teams and event organisations with performance clothing that ensures you stand out from the crowd and helps convey your values, style and professionalism.

Working alongside our branding partners, we can apply your logo, text or image to our products to create your own unique style with our clothing. Using the most advanced digital branding techniques to classic embroidery, we can ensure your identity is delivered to how you wish.

To discuss all available options please contact us with your request including logos in .pdf or .eps format.

The Unisex Smart Therm Pro Jacket delivers advanced mid-layer protection with DRI PRO™ 2-layer technology and smart insulation mapping. Featuring a PFC-free waterproof membrane, glued seams, and VIVO Ocean insulation for 30% more breathability, it offers lightweight warmth, flexibility, and performance, ideal for coastal sailing, cold-weather layering, or everyday wear.

The Smart-Therm mid-layer is an essential part of your performance clothing system. This mid-layer is designed to provide exceptional targeted warmth, wicking and ventilation through advanced body mapping that mirrors how your body performs.
